50X1-HUM

1. During the latter part of November 1950 the construction of launching platforms in the Mount Caraiman, Mount Omul, and Mount Babele areas was interrupted because of extremely cold weather.
2. About four kilometers from Sinaia in the direction of Bucharest, an airport is under construction. At present about forty wooden prefabricated barracks are being built to house the airport personnel.
3. Work has been completed on a hotel at Varful cu Dor (Prahova district - Bucegi mountains) which was started in 1938. The road leading up to the hotel is now suitable for cars and trucks. Reportedly, in case of war this hotel is to be the Cominform headquarters. At present barracks are being built for office personnel.
